

# Formative Assessment Student Login Access to SAGE

Go to <http://sageportal.org/>  
Choose Student and Families  
Choose SAGE Formative

For the SAGE formative, students will login with their SSID for both the login and password.

SAGE FORMATIVE

Please select a user type.

STUDENTS

SAGE Login (SSID)

Password

Enter

Kids will be prompted to change their password, you may want them to change it to the SSID number so that it stays consistent.

The student will see the following window listing the assignments assigned to them.

**My Assignments** more info

You can view assignments that your teachers created for you, as well as any assignments that you created for yourself. By default, this page shows your active assignments.

View By: **Active Assignments** Show me: **All Assignments**

Active Assignments	Assignment Name	Assigned By	Start Date	Due Date	Content Area	Progress
<a href="#">Start</a>	Test number 2	Downard, Jodi	01/23/2014	01/24/2014	Mathematics	0%

Choose Start

Student will go into the test questions

Use the buttons at the top to navigate through the test

Test practice
