PTO Meeting at 8:15am on Tuesday, Oct 4th

Please attend our PTO general meeting, which will take place at Parley's Park this Tuesday. We will meet the school board candidates in District 3, receive an update on several programs funded through the 2015/16 budget and discuss the results of Apex fundraiser.

Our current meeting agenda is posted [here](#).

Parley's Annual Book Fair is This Week!

Each year, the proceeds from the Book Fair provide Scholastic Newsletters to all of our students and help teachers get additional books for their classrooms. This is a great opportunity to support the school by purchasing books for your children after your parent/teacher conference.

We are also looking for [volunteers](#).

Original Works This October

We are excited to offer the Original Works Program. In the next two weeks, your child will create an original piece of artwork in class which will be sent home.

You will have the option of having the artwork reproduced onto coffee mugs, magnets, trivets, etc. Proceeds from this project will go toward programs sponsored by Parley's PTO.

EVA's October Art Lesson

Elementary Visual Arts (EVA) Program is a partnership between Kimball Art Center and the Park City Education Foundation.

This month in class, students will learn about the artist and work of Jean Dubuffet, including the Art Brut movement, and his graphic style Hourloupe. Exploring Dubuffet's iconic color use of red, white, blue and black, students will create 2D and/or 3D symbolic figures and objects in the Hourloupe style of Jean Dubuffet.

Volunteer to help students learn to cook in the After-School Cooking Classes for Better Health program – monthly at all elementary schools! We'll be making the new school food recipes from 15 TO CLEAN.

¿Qué es lo que hace a la noche tan misteriosa? ¿Qué nos hace dormir, soñar y despertar por la mañana con los ojos pegados, la boca seca y el pelo revuelto, con los pies fuera de la cama, el pijama por las rodillas y unas incontenibles ganas de hacer pis? ¿Acaso hay alguien en algún lugar, velando para que todo ocurra como tiene que ocurrir? Ciertamente es que Tim nunca se hizo estas preguntas, pero desde el momento en que, sentado sobre el tejado del orfanato abandonado, vio caer del cielo aquella pequeña y frágil estrella, empezó a darse cuenta de que algo no era como él imaginaba.

An orphan boy named Tim is afraid of the dark. However when the stars start going out in the sky he finds himself exploring the world of the night his new friend, the cat Shepard, to find out why.

Part of the Dual Language Immersion Film Program underwritten by Park City Orthodontics.
