**Thank you!**

A big thank you to **DeEtte Earl, Christy Prasad, Liz Meirowitz** and all of the volunteer judges who made Parley's Park Science and Engineering Fair a success last week!

### **Help us thank our teachers!**

Parent/Teacher Conference Week is the week of February 5th. Please help us in THANKING our teacher for all that they do. The PTA is organizing lunch and snacks for the teachers during this week.

Please [click here](#) to sign up to bring something -- help us make this week a success!

Thanks in advance!

### **Bake Sale!**

Student Council will be having a bake sale during the week of parent/teacher conferences.

If you are able and interested in sharing **store-bought** items such as cookies or cupcakes, please drop them off in the counseling center February 5-8, during the week of the conferences.

The money will be supporting prizes bought for job market.

### **Donate your formerly-used glasses or frames!**

We have many Falcon kids who need glasses/frames. Our Outreach Coordinator, Belsy Moscosot, is collecting frames which will help these kids have an easier time reading and learning. If anyone has any glasses or frames that are not being used, please help by donating them to the school. We have a labeled box near the office.

Thank you!

**ELEMENTARY VISUAL ARTS**

**A Partnership Between:**

Black History Month is a celebration of Black American achievements and an opportunity to honor the critical role of African Americans in U.S. history. In line with this important month, the focus is on artist **Faith Ringgold**.

Ringgold took the traditional craft of quilt making (which has its roots in the slave culture of the south - pre-civil war era) and re-interpreted its function to tell stories of her life and those of others in the black community.

Students will learn about primary, secondary and complimentary colors to make a paper quilt collage in Ringgold's style.

**Thank you to those who are continually donating to the Makerspace!** The items get put to good use and we go through them quickly.

Here are some specific items that are needed for upcoming projects:

- toilet paper/paper towel rolls
- straws
- duct tape
- craft supplies

Also, thanks to your generous donations during Live PC/Give PC we have ordered a set of **3D pens AND a 3D printer!** We can't wait to have students creating with these new and exciting tools.

## Preschool Registration for 2018-19
