Thank you for supporting the Falcon Fun Run!

helped make this race possible. And there is still time!

Our final day for "Fun Run" donations is **September 21st!**

Who will win the Vice Principal for the Day? Which class will have the incredible Hawaiian Luau Party? Who will be the next passengers with their fellow student friends on a limo lunch with Mr. Gomez?

Stay tuned, we are still fund raising, collecting and giving prizes.

On Wednesday, September 13th, we held a Pep Rally for our students. **Summer Sanders**, Mom to Skye and Spider Schlopy (Parley's students), hosted our event. Her theme was setting goals, achieving goals and believing in your dreams.

Sanders is a former competition swimmer and Olympic champion. She now is a sports commentator, reporter, television show host and philanthropist. She energized, motivated, and got the students talking about setting goals, and believing in your dreams like she did as a child. She was very welcomed by the children and it was an energized boost in the children's initiatives.

Our Fun Run was a Total Success! Grins, dancing, laughing, family and friends.....AND we exceeded our goal!

The event was held this past Thursday, September 14th. It was our biggest race yet, with children, parents and grandparents running laps for our school.

BIG thanks to our racers, families, friends and sponsors. It was an incredible day, and we could not have asked for better weather.

SPECIAL thanks to **Whitney and Stan Kozlowski**, Parleys Parents to Wynn and Cooper and owners of **Beau Collective**. They made our race track ridiculously fun and spirited. They played awesome music, had funny commentary for our runners and created such an amazing race environment. Whitney and Stan gave us their entire day to make our race "off the charts". We absolutely could not have done it without them!

Parley's Park Scholastic Book Fair

It's time for the annual **Scholastic Book Fair** at Parley's Park held in the PPES library during parent/teacher conference week, October 2-6. The book fair will be open Monday - Thursday, October 2-5 from 7:45 am - 6:00 pm and Friday, October 6 from 7:45 am - 1:00 pm.

Come shop for books and support our school. All proceeds from the fair go back to Parley's to pay for the Scholastic Newsletters, library books and classroom books or supplies.

We need volunteers to help before, during and after the fair. It's fun and easy and most shifts are **only 2 hours**. Please sign up [here](#).

If you have any questions, please contact one of the book fair co-chairs.

Thank you!

ELEMENTARY VISUAL ARTS

A Partnership Between:

September EVA Lesson

LESSON OVERVIEW - Gustav Klimt: Elements of Art

This month, Parley's Park students will learn about the artist Gustav Klimt (1862–1918) and his decorative art style. Klimt was a twentieth century master of decorative art, a visual art style known for hosting design and ornamentation of items. Students will also learn about the elements of art and how they are portrayed in Klimt's artwork. Students will use these

OUR COMMUNITY'S INVESTMENT IN EDUCATION

Since 1986, PCEF has worked with donors to go beyond what public education provides to meet the needs of our students, teachers, and community.

It is your **\$180 per student** that builds the base for this work. It's just \$1 per school day - we simply cannot do what we do without you!

To Give \$180 now, or to set up \$15/month, please [click here](#). Get your donation to **Beat the Call** by October 9th.

Please go to the [PCEF website](#) to learn more.

If you'd like more information, please contact Sapphire Liu at sliu@pcshools.us

Our Schools Now is an initiative to give Utah voters the opportunity to participate in the critical questions of how we are to invest in the continued improvement of our schools. This **initiative would allow Utahns' to vote** on a ballot measure to increase the state income tax and invest the increase in educational performance improvement.

Our Schools Now:

- Calls for a 1/2 of 1 percent (.005) increase to the state sales tax and a 1/2 of 1 percent increase to the state personal income tax, which would total \$700 million
- Provides each Utah school nearly \$1000 per enrolled student
- Requires all funding to be spent in ways that increase student learning

Distributes:

- 85% to K-12 education
- 15% to higher education
- Improves student learning by awarding money once school goals are reached
- Empowers local communities to make funding decisions that are best for students of that area
- Prepares students for tomorrow's world by providing a high-quality education

More information about the initiative can be found here: <https://ourschoolsnow.com/>

If this initiative gets on the 2018 ballot and is successful, Parley's Park could benefit approximately **\$475,000 per year.**
